STAT MEMORANDUM FOR: [REDACTED]
Employee Cafeteria Committee

STAT FROM: [REDACTED]
Agency Employee

SUBJECT: Suggestion for Extention of Breakfast Period in
the Headquarters Cafeteria

1. I suggest that the breakfast period in the Cafeteria be altered so that the breakfast hour can begin at 0630 vice 0730 as presently exists.

2. This suggestion is made with the knowledge that many agency employees are presently unable to take advantage of breakfast in the Cafeteria because their working hours begin at 0700. This includes employees in the Office of Communications, Office of Data Processing, Office of Security, Information Management Staff, Agency Registers, Federal Protective Officers, General Service Administration, and others. Together, these employees represent a potentially sizable increase in revenue for the Cafeteria. Many restaurants begin to serve breakfast at 0630 with great success.

3. This suggestion could be tested, on an experimental basis, for a few months, perhaps Spring through Fall. It is my belief that the approach of warmer weather, and good advertising could substantially increase the number of interested employees.

4. I do hope that you will consider this suggestion or make a survey of employees to determine if there is support for it.
